CADLUME warrants all its products to be free from malfunction, subject to certain conditions and exclusions for the period of one year from the date of delivery. In all cases CADLUME must be notified before any warranty action will be approved.

For the purposes of this warranty, CADLUME differentiates between items that are received damaged or defective and items that malfunction. Items that are received damaged or defective must be reported within 2 days of receipt. All warranties apply only to the original purchaser and original installation of products. This warranty is not transferable. The warranty only applies to when all components have been supplied by CADLUME. Substituting another manufacturer's product and or components will render the warranty completely void. All bulbs that may be supplied with fixtures are not warranted.

Should any product fail, CADLUME, at our sole discretion, will repair or replace it with the same or similar product free of charge.

This warranty does not apply to ordinary wear and tear including normal fading or aging or for damage by the lack of reasonable care, improper installation, improper lamping, improper input voltage, improper dimming, alteration, or abuse. This warranty does not cover damage caused by chemicals in harsh cleaners.

This warranty will not apply if parts claimed to be defective are not returned for inspection if requested by CADLUME.
